

**STATE OF HAWAII
DEPARTMENT OF HUMAN SERVICES
OFFICE OF YOUTH SERVICES**

**ADDENDUM #1 FOR THE RFP ISSUED 4/18/07
RFP # HMS 503-08-04**

Dental Services for Youth Incarcerated at the Hawaii Youth Correctional Facility

Revisions have been made in Section 2, Service Specifications, III. Demographics and Funding, Claims Processing.

The following text has been deleted:

- **Claims processing:** The HYCF has adopted Medicaid guidelines and policies governing dental services in the facility and utilizes Affiliated Computer Services (ACS), the DHS MED-QUEST Division's fiscal agent for processing provider payments. This is NOT a Medicaid program although contracted dentist must be a Medicaid provider. All claims filing procedures must comply with the Medicaid requirements. Contracted dentist shall be paid the Medicaid rate for the procedure.

The following text has been inserted to read:

- **Claims processing:** The HYCF has adopted Medicaid guidelines and policies governing dental services in the facility and utilizes Cyrca Health, the DHS Med-QUEST Division's fiscal agent for processing provider payments. This is NOT a Medicaid program although contracted dentist must be a Medicaid provider and able to file dental claims with Cyrca Health. All claims filing procedures must comply with the Medicaid requirements. Contracted dentist shall be paid the rate for the procedure based on the Medicaid dental fee schedule. (NOTE: Cyrca Health will be the DHS Med-QUEST Division's fiscal agent for processing provider payments effective July 1, 2007).

QUESTIONS AND ANSWERS

The following are responses to written questions submitted either at the RFP Orientation Session conducted on May 8, 2007 or received in writing by May 8, 2007, as specified in Section 1 of the RFP.

Q1. Medicaid has limits regarding certain procedures. Will the cost of procedures such as installing porcelain and full gold crowns be covered for HYCF patients?

A: Applicants should contact the DHS Med-QUEST Division dental consultant at the Medical Standards Branch at 692-8105 to discuss any benefits and limitations.

Q3. Will an applicant that qualifies as a Federally-Qualified Health Center (FQHC), be allowed to file for compensation at the FQHC level which is more than the Medicaid rate?

A: An applicant that qualifies as a Federally-Qualified Health Center will be compensated using the Medicaid payment methodology. Currently, the FQHCs are paid an encounter rate. Should Med-QUEST Division decide to change the payment methodology, the FQHCs payment under this program will change accordingly.
